

## FireCAD Design Software installation guide

The installation procedure is same for all FireCAD software. Here in this guide, FireCADGFB sample intsallation is shown. The procedure is same with all the other FireCAD software.

Step 1:

Please download the software to your local PC from the link provided in the email. The local folder may be named as "FIRECAD". Pl also note the Password and Authorization Codes given in the email.

Step 2 :

The download file name looks like FireCADxxx.zip . Unzip the file using any unzip software like winzip, winrar, B1 or 7-zip.

## Step 3:

Now the folder will also have the extracted file by name FireCADxxx.exe file.
